merlin® HD OCR elite

HD • Text-to-Speech (OCR) • Ergonomic Design

See and hear the difference!

Merlin elite is a high performance desktop video magnifier (CCTV), featuring Full HD and text-to-speech (OCR). High definition color and contrast provides a beautiful, crystal clear picture and vibrant colors. Merlin elite's unique design allows for a wide field of view, displaying more text on the screen. Experience the joy of reading with our new text-to-speech feature.

Merlin elite Features:

- Sony® Full HD auto focus camera
- 24" high resolution HD LCD for best image quality
- Text-to-Speech (OCR) - reads aloud with Nuance® software
- Easy-to-use console with line markers
- Reading zone preview with motion detection
- Screen easily pivots horizontally and vertically to provide the most comfortable viewing position
- 28 viewing modes to optimize contrast and brightness
- LED lighting for truer HD picture quality
- Wide range of adjustable magnification from 2.4 to 70x
- Low profile XY table with a user friendly lock mechanism
- Download saved images to a flash drive
- Merlin elite's monitor can also be utilized as a display for your computer or iPad (additional hardware required)
- Set up is easy, just plug in and begin
- 3 year warranty

> *"Before Merlin elite, I'd lost all desire to read on my own. Now I can't wait to get my mail & magazines!"*
