A VISPERO[®] BRAND

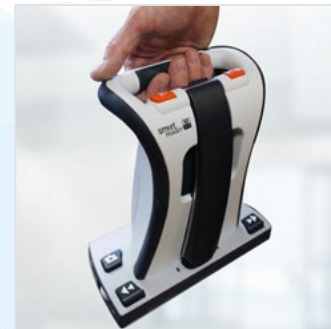

The easy-to-transport Smart Reader HD offers the advantage of a built-in HD camera and OCR (optical character recognition) text-to-speech. Position your document, scan, and in seconds, Smart Reader HD begins reading aloud—simply attach your monitor to view the text and follow along. View in color, or take advantage of the enhanced, high-contrast modes to suit your vision needs.

Smart Reader HD Features:

- Ideal for reading magazines, books, newspapers, and more
- Built-in speaker with premium audio quality
- Over 20 languages available with high-quality, natural male or female voices
- Connect to any desktop monitor or TV (HDMI and DVI) to view text and follow along
- Large, tactile control buttons
- Built-in, 8-hour rechargeable battery
- Attach headphones for privacy
- Optimize contrast and brightness with over 30 color modes
- Easily scan, save, and recall images
- Import/export document via USB port
- Carrying case included

Optional Control Console offers even more flexibility and ease of use

Convenient built-in handle for ultimate portability
