## See Near, Far & Everything In Between...

Acrobat HD ultra's new Full HD 3-in-1 camera provides the best image quality available today! Enjoy brighter sharper colors and bold contrast with this feature rich electronic magnifier. A wider field of view allows you to see even more of what you want.

It's our most flexible solution for reading, writing or viewing magnified images at any distance. Use it up close like a mirror for applying make-up or other personal grooming.

By simply rotating the camera you can magnify images in the distance. Use it to view presentations, paperwork, even work on crafts and hobbies. Acrobat HD ultra is ideal for work, school or home. and is easily transported.

*“I love my Acrobat HD ultra! It has truly given me a new lease on life. I can read any sized print, do more detailed things like threading a needle. Things I used to depend on others to do for me I now do myself. There's no end to the potential for this wonderful device.”*

*—Barbara Simmons*

**ACROBAT HD ULTRA LCD** is a complete system featuring a 3-in-1 Full HD camera with a 20", 22", 24", or 27" high resolution HD LCD producing maximum picture detail for clear, vivid color display.

The adjustable arm, tilting screen, and rotating capability allows the camera to be positioned at any angle for optimal viewing. A built in handle allows for easy transport.
