acrobat **HD** ultra

A versatile, 3-in-1 desktop video magnifier

Acrobat HD ultra's full HD 3-in-1 camera provides the best image quality with a wide field of view, allowing you to see even more of what you want. Choose between three generous monitor sizes and enjoy brighter, sharper colors, and bold contrast with this feature-rich electronic magnifier. By simply rotating the camera, view objects or presentations at a short distance, or use it for reading, writing, and even personal grooming. With its easy-to-transport design, Acrobat HD ultra is the ideal magnification solution for work, home, or school.

Acrobat HD ultra Features:

- Full HD 1080p auto-focus 3-in-1 camera for seeing yourself up close, reading, and distance viewing
- 22", 24" or 27" high-resolution HD LCD monitors provide up to 71x adjustable magnification (varies with LCD size)
- True mirror image in self-viewing mode
- Three-position monitor height adjustment provides maximum flexibility
- Memory setting for each HD camera positions
- Compact size minimizes space needed on table or desk
- Light on/off feature
- 28 available viewing modes to optimize contrast and brightness
- Line markers and object locator
- Remote control unit features instant on/off (standby)
- Computer compatible (additional hardware required)

Apply makeup, read, write, or work on your favorite hobbies with Acrobat HD ultra's convenient pivoting camera. Just plug in and begin!
