Enhanced Vision - VA Quick Reference Guide

National VA Contract: 36C10G21D0011

Effective Date: 04/19/2021 - 04/18/2026

Video Magnification Devices Closed Circuit Televisions for In-Home Use
Enhanced Vision – Who Are We?

- For over twenty years we’ve designed and distributed high quality, reliable products specifically for the low vision industry.
- Our exclusive focus has been on the development of electronic magnification products.
- We have one of the largest product portfolios in the low vision technology industry and are proud to have served most of the VA facilities over the last several years.

Enhanced Vision – Our Philosophy

Our Philosophy encompasses 5 key beliefs and is the foundation of who we are

- Design for ease of use
- Providing the best value for the user
- Continuous improvement based on the needs of the low vision community
- High quality and reliability standards in everything we do
- Having an infrastructure and support staff dedicated to exceeding the customer’s expectations

Enhanced Vision Technical Support

If you have questions that require technical support or if you need to return an Enhanced Vision product for repair, please call or email us.

Technical Support Contact Information:

(800) 440-9476 Extension – 2005
escalations@enhancedvision.com

Before returning any products please ask for a Return Authorization (RA) number. When returning a product for repair it is very important to package the unit using the original packaging to ensure safe transit.

Business hours for Technical Support are Monday thru Friday 8:00am to 4:00pm P.S.T.

Warranty Return:
Refer to the warranty form shipped with every product for details on warranty policy and other options.
Q. What is the Contract #?
A. 36C10G21D0011

Q. What is the contract effective date?
A. April 19, 2021 - April 18, 2026

Q. What are the products covered under this contract and what are the prices?
- **Item# MR2UE22A-VA**  Merlin ultra 22” is $2,729.63
- **Item# 900837-007-VA**  Merlin-mini 15.6” is $2,509.40
- **Item# ACDUE27A-VA**  Acrobat Ultra HD LCD 27” is $2,611.78
- **Item# XY MINI**  XY Mini Table $105

The VA Merlin ultra units differ from a standard Merlin ultra in the following way: An Autofocus on/off switch replaces the light switch.

Q. How do I place an order or contact Enhanced Vision?
A. All orders related to this contract must be placed directly with Enhanced Vision.
   Call, fax, or email orders to:
   - **Toll-Free:** (800)440-9476 Ext. 2011
   - **Phone:** (714)465-3400 Ext. 2011
   - **Fax:** (714)374-1821
   - **Email orders to:** evorders@enhancedvision.com

Q. Is In-Home Setup/Brief Orientation and training included?
A. Yes, In-Home Setup/Brief Orientation is included if requested.

Q. Can I continue buying other Enhanced Vision products using their FSS contract# GS-35F-015CA?
A. Yes, all other Enhanced Vision products (*i.e. Amigo 8 HD, Pebble HD, DaVinci Pro, Merlin Elite Pro HD/OCR and more*) can be purchased under FSS contract #GS-35F-015CA (copy of contract also included). Those orders can be placed either with the local dealer or directly with Enhanced Vision.
**In-Home Setup:**

In-home setup is defined as delivery of devices to the Veterans home to provide complete setup and assembly of the devices and placed in a room of the Veterans choice while ensuring operation and functionality of all equipment (functions and features). In-home setup is used for all Desktop Video Magnifiers, Video Magnifiers with Enhanced Features Text to Speech, and Video Magnifiers with Enhanced Features Camera W/ Multi-Distance/Viewing Capability. The Government is responsible for the coordination of in-home setup. The Contractor shall email the Outpatient Clinic POC when setup is complete and provide a signed delivery receipt that the service has been completed.

**Orientation and Training:**

Orientation/training shall be provided at the time of delivery/installation. This is defined as orientation of the controls per the instruction manual included by the contractor. Orientation should identify the placement of reading materials, features, controls, control functions and orient the Veteran on how to use the XY table (if XY function is provided). The Government is responsible for the coordination of orientation. The Contractor shall email the Outpatient Clinic POC when setup is complete, providing proof of delivery being made.
See the Difference with Full High Definition!

The new affordable Merlin ultra offers full high-definition color and contrast, resulting in sharp crystal clear images and vibrant color accuracy. Merlin ultra’s Full HD camera allows for a wide field of view, displaying more text on the screen in amazing detail. Simply the greatest value and best picture quality available in HD desktop magnification, there’s even more to see with Merlin ultra!

Key Features & Benefits:

- Full HD 1080p camera: 1920 x 1080 resolution in 22” & 24” LCD
- High resolution HD LCD for best image quality
- Wide field of view
- Simple, easy-to-use tactile controls
- LED lighting for truer picture quality
- Wide range of adjustable magnification up to 73.2x (depending on screen size)
- Adjustable viewing modes for high contrast personalization
- Screen easily pivots horizontally and vertically to provide the most comfortable viewing position
- XY table for smooth continuous reading with a user friendly lock mechanism
- Computer compatible - toggle between CCTV and computer
- (Additional hardware may be required)
- Set up is easy, just plug in and begin
- 3 year warranty
Merlin ultra’s Full HD camera technology produces an even truer, more natural image, resulting in the brightest white and deepest black.

Easily read books and magazines, read and write letters, manage your financial records, view color photos, do crossword puzzles, and even pursue a favorite hobby.

See for yourself what makes Merlin ultra the greatest value and the absolute best picture quality available in HD desktop video magnification.

Designed and Assembled in the USA

Plug in the Ultra Pack to add line markers, windowing/masking and computer toggle to any Merlin ultra model. (Sold Separately)

“ My Merlin ultra lets me view photos of my grandchildren. The colors are bright and I can see all the details! ”

– Bob Anker
Quick Start Guide

1. Connect the short end of the “Y” power cord to the Merlin ultra Power Supply.

2. Connect the long end of the “Y” power cord to the monitor power input on the rear of the Merlin ultra as shown.

3. Connect the power lead from the Merlin ultra Power Supply to the power input labeled “DC IN 15V”.

Turn auto focus on/off using rocker switch
Press mode for 7 viewing options
Turn to increase or decrease magnification
Press the power button to turn on
Increase or decrease brightness by sliding lever
Quick Start Guide

System Configuration Menu

To enter the Merlin Ultra System Configuration Menu, press and hold the MODE button (approximately 5 seconds) until the words “SYSTEM CONFIGURATION” appears on your LCD monitor. Rotate the Size dial clockwise/counter-clockwise to navigate through the Merlin Ultra menu items. Press the Mode button once to select a menu item or to turn a setting ON or OFF. Items that are ON are indicated by a filled box. Select the EXIT option to return to live viewing mode.

Options Include:

- Turn the screen messages on or off
- Customize viewing modes
- LED Light Intensity
- Control Switch allows one to change A/F Switch configuration to lights on/off, freeze frame on/off, or locator allowing quick zoom in and out.

Using Computer Pass-Through

The Merlin Ultra can also be used as a Computer Monitor with the Computer Pass-through feature. This gives you the ability to swap back and forth between CCTV and your Computer Monitor using the optional Ultra Pack or Foot Pedal accessory.
A Portable, Foldable Desktop Video Magnifier

A Portable, Foldable Desktop Video Magnifier Merlin Full HD-mini offers the same reading comfort, ease of use, and functionality as a desktop video magnifier - but in a compact and foldable design. The Merlin mini is available in your choice of a 15” or 17” screen. A 3-in-1 rotating camera allows you to magnify text and objects up close, at a distance, and even view yourself. Easily transport to and from home, office, classroom, and anywhere else needed.

Key Features & Benefits:

- Full HD – 1080p with autofocus
- Video magnifier with large 15.6” or 17.3” screen that easily folds away
- Read text and view objects up close, in the distance and view yourself
- Portable – use at different locations: up to 5-hour battery life
- Unique zoom and pan features
- 3 selectable magnification ranges to suit your eye condition
- Read full pages without moving reading material thanks to the moveable camera
- Connect to TV screen for even larger image with HDMI
- 2-year warranty
A Portable, Foldable Desktop Video Magnifier

Crisp and Clear Image
With Merlin Full HD-mini, you will enjoy a crisp, clear, full-HD image on the 15.6” or 17.3” screen. The monitor can be fully adjusted in height, so you will always have the right reading angle and height. With the convenient 3-in-1 rotating camera, you can magnify text and objects up close, in the distance, and even look at yourself. Simply point the camera to what you want to see and adjust the settings according to your personal preference.

Use Merlin Full HD-mini Anywhere
Merlin Full HD-mini is the ideal solution for people who need magnification in different locations. With Merlin Full HD-mini, you can comfortably read text and view objects at home, in the office or classroom, and on the go. Its foldable design makes it extremely easy to take Merlin Full HD-mini with you, or store it when not in use.

Easy to Fold & Store
Lightweight, easy to carry
Quick Start Guide

Instructions Before Use

The battery must be fully charged prior to the initial use. Connect the supplied power adapter to the DC input jack to charge the battery. While charging, a red light is illuminated. When fully charged, the light is green.

Opening the Merlin-mini

1. Place the folded Merlin Mini on a stable surface such as a table.
2. Press on the base plate with one hand, while the other hand lifts the top of the body frame.
3. Lift the arm until it locks in place.
4. Put both hands on the left and right sides of the LCD monitor.
5. Pull the LCD monitor towards you.
6. Push the LCD monitor up using both hands and adjust it to a suitable position.
Quick Start Guide

Control Buttons

1. **Power Button.** Press to Turn On or Off
2. **3 Function Image Optimizer Wheel**
   - Turn knob in color mode to adjust brightness
   - Turn knob in high contrast to adjust the contrast
   - Press and hold for auto focus on/off
3. **Image Capture Button.** Press to Freeze the image on the screen
4. **Zoom Wheel.** Turn to increase or decrease magnification
5. **Mode button.** Press for 8 viewing options
6. **Natural Color/Find.** Press to navigate quickly back to full color mode or press and hold to quickly zoom out and see the entire image. Releasing the button returns the camera to original magnification level
7. **Super Function Key.** Used for panning the frozen image when magnified or press and hold to activate line/masking options
Quick Start Guide

Camera Positions

1. Reading/Desktop mode
2. Distance-View mode (open the close-up lens for distance viewing)
3. Self-View mode (use like a mirror)

You can switch between modes by rotating/adjusting the camera using the Camera Positioning Wheel.)
1. Put both hands on the left and right sides of the LCD monitor.
2. To close the Merlin Mini, push down the LCD monitor using both hands.
3. Push the LCD monitor toward the main body frame.
4. Place both hands on top of the body frame.
5. Lower the top of the body frame until it is closed.
Flexibility for Any Task

High Definition Images in Bright Vivid Colors
See near, far and everything in between with Acrobat HD ultra. It's our most flexible solution for reading, writing or viewing magnified images at any distance. Use it up close like a mirror for applying make-up or other personal grooming. By simply rotating the camera you can magnify images in the distance.

Acrobat HD ultra Features:

- Full HD 1080p auto focus 3-in-1 camera for seeing yourself up close, reading and distance viewing
- Three position height adjustment provides maximum flexibility
- True mirror image in self-viewing mode
- Memory setting for each HD camera position
- Compact size minimizes space needed on table or desk
- 22", 24" or 27" high resolution HD LCD monitors provide up to 71x adjustable magnification (varies with LCD size)
- Light on/off feature
- 28 available viewing modes to optimize contrast and brightness
- Line markers and object locator
- Remote control unit features instant on/off (standby)
- Computer compatible (additional hardware required)
- Set up is easy, just plug in and begin
- 2 year warranty
- Designed & Assembled in the USA
Acrobat HD ultra with a Full HD 1080p 3-in-1 camera provides the best image quality available today! Enjoy brighter sharper colors and bold contrast with this feature rich electronic magnifier. A wider field of view allows you to see even more of what you want.

The adjustable arm, tilting screen, and rotating capability allows the camera to be positioned at any angle for optimal viewing. A built in handle allows for easy transport.

Acrobat HD ultra Accessories

XY or Mini XY Table
Use the optional XY tables to smoothly glide materials under the camera for easy reading.
Once the Acrobat HD Ultra has been powered on you can then use the green “Power” button located in the upper right corner of the Acrobat HD Ultra Remote to power the camera on/off.
Quick Start Guide

Remote Control

1. **Power**: Turns the Acrobat Ultra On and Off.
2. **Freeze**: Freezes the image on screen for extended viewing.
3. **Lock/AF on & off**: Locks the camera focus allowing you to maintain the viewing a target at a certain distance.
4. **+/-**: Increases or Decreases the camera magnification resulting in your viewing target becoming larger or smaller.
5. **Find**: Pressing and holding the “Find” button quickly zooms out to the minimum field of view and releasing it returns you to your initial magnification level.
6. **Mode**: Changes the color scheme between any of our available viewing modes.
7. **WB**: Cycles through the system white balance between Automatic, Warm, Normal or Cool to improve the image for maximum color clarity.
8. **LM**: Toggles through Line Markers and Windowing.
9. **ULM**: The ULM Toggle buttons increases or decreases the height of the upper or left hand line marker/window.
10. **LLM**: The LLM Toggle buttons increases or decreases the height of the lower or right hand line marker/window.
The Lens on the Acrobat HD Ultra can be either open (as pictured above) or closed (as pictured below). For distance viewing, it is best to leave the lens open. For desktop or self-viewing, it is best to leave the lens closed.

Press to Change Mode

Quick Zoom Out & Zoom In

Pressing both at the same time toggles the light on and off

Decreases Magnification

Increases Magnification

25. DUNS NUMBER: 96-016-3327

26. NOTIFICATION REGARDING REGISTRATION IN SYSTEM FOR AWARD MANAGEMENT (SAM) DATABASE: Contractor has an Active Registration in the SAM database.
TERMS AND CONDITIONS APPLICABLE TO PURCHASE OF GENERAL PURPOSE COMMERCIAL INFORMATION TECHNOLOGY NEW EQUIPMENT (SPECIAL ITEM NUMBER 33411)

1. MATERIAL AND WORKMANSHIP

All equipment furnished hereunder must satisfactorily perform the function for which it is intended.

2. ORDER

Written orders, EDI orders (GSA Advantage! and FACNET), credit card orders, and orders placed under blanket purchase agreements (BPA) agreements shall be the basis for purchase in accordance with the provisions of this contract. If time of delivery extends beyond the expiration date of the contract, the Contractor will be obligated to meet the delivery and installation date specified in the original order.

For credit card orders and BPAs, telephone orders are permissible.

3. TRANSPORTATION OF EQUIPMENT

FOB DESTINATION. Prices cover equipment delivery to destination, for any location within the geographic scope of this contract.

4. INSTALLATION AND TECHNICAL SERVICES

a. INSTALLATION. When the equipment provided under this contract is not normally self-installable, the Contractor's technical personnel shall be available to the ordering activity, at the ordering activity's location, to install the equipment and to train ordering activity personnel in the use and maintenance of the equipment. The charges, if any, for such services are listed below, or in the price schedule:

Pricelist indicates the equipment is self-installable.

b. INSTALLATION, DEINSTALLATION, REINSTALLATION. The Davis-Bacon Act (40 U.S.C. 276a-276a-7) provides that contracts in excess of $2,000 to which the United States or the District of Columbia is a party for construction, alteration, or repair (including painting and decorating) of public buildings or public works with the United States, shall contain a clause that no laborer or mechanic employed directly upon the site of the work shall receive less than the prevailing wage rates as determined by the Secretary of Labor. The requirements of the Davis-Bacon Act do not apply if the construction work is incidental to the furnishing of supplies, equipment, or services. For example, the requirements do not apply to simple installation or alteration of a public building or public work that is incidental to furnishing supplies or equipment under a supply contract. However, if the construction, alteration or repair is segregable and exceeds $2,000, then the requirements of the Davis-Bacon Act applies.

The ordering activity issuing the task order against this contract will be responsible for proper administration and enforcement of the Federal labor standards covered by the Davis-Bacon Act. The proper Davis-Bacon wage determination will be issued by the ordering activity at the time a request for quotations is made for applicable construction classified installation, de-installation, and reinstallation services under SIN 33411.

c. OPERATING AND MAINTENANCE MANUALS. The Contractor shall furnish the ordering activity with one (1) copy of all operating and maintenance manuals which are normally provided with the equipment being purchased.
5. **INSPECTION/ACCEPTANCE**

The Contractor shall only tender for acceptance those items that conform to the requirements of this contract. The ordering activity reserves the right to inspect or test any equipment that has been tendered for acceptance. The ordering activity may require repair or replacement of nonconforming equipment at no increase in contract price. The ordering activity must exercise its post acceptance rights (1) within a reasonable time after the defect was discovered or should have been discovered; and (2) before any substantial change occurs in the condition of the item, unless the change is due to the defect in the item.

6. **WARRANTY**

a. Unless specified otherwise in this contract, the Contractor’s standard commercial warranty as stated in the contract’s commercial pricelist will apply to this contract.

**Warranty Provision:**

The Contractor warrants and implies that the items delivered hereunder are merchantable, fit for use for the particular purpose and will be free from defects in material and workmanship for a period of not less than three (3) years from the date of delivery for Merlin and two (2) years for all other products. Contractor will replace, at its option, all parts found defective within the period with cost of replacement, including shipping charge, to be returned without (a) advance written notice to the Contractor, or (b) obtaining shipping instructions from the Contractor. Please call the contractor’s Technical Support department for a return authorization number (RA#) at 1-800-440-9476 Option 2

b. The Contractor warrants and implies that the items delivered hereunder are merchantable and fit for use for the particular purpose described in this contract.

c. Limitation of Liability. Except as otherwise provided by an express or implied warranty, the Contractor will not be liable to the ordering activity for consequential damages resulting from any defect or deficiencies in accepted items.

d. If inspection and repair of defective equipment under this warranty will be performed at the Contractor's plant, the address is as follows:

```
Vispero c/o Syncreon
Attn: RMA# OR RETURN#
29 Butterfield Trail
Suite D
El Paso, TX 79906
```

7. **PURCHASE PRICE FOR ORDERED EQUIPMENT**

The purchase price that the ordering activity will be charged will be the ordering activity purchase price in effect at the time of order placement, or the ordering activity purchase price in effect on the installation date (or delivery date when installation is not applicable), whichever is less.

8. **RESPONSIBILITIES OF THE CONTRACTOR**

The Contractor shall comply with all laws, ordinances, and regulations (Federal, State, City or otherwise) covering work of this character, and shall include all costs, if any, of such compliance in the prices quoted in this offer.

9. **TRADE-IN OF INFORMATION TECHNOLOGY EQUIPMENT**

When an ordering activity determines that Information Technology equipment will be replaced, the ordering activity shall follow the contracting policies and procedures in the Federal Acquisition Regulation (FAR), the policies and procedures regarding disposition of information technology excess personal property in the Federal Property Management Regulations (FPMR) (41 CFR 101-43.6), and the policies and procedures on exchange/sale contained in the FPMR (41 CFR part 101-46).

See Near, Far & Everything In Between

Acrobat HD ultra’s Full HD 3-in-1 camera provides the best image quality and wide field of view allowing you to see even more of what you want. Enjoy brighter, sharper colors and bold contrast with this feature-rich electronic magnifier. It’s our most flexible solution for reading, writing, crafts, hobbies, viewing presentations, or magnified images at any distance. Use it up close like a mirror for applying make-up or other personal grooming. Acrobat HD ultra is ideal for work, school, or home and is easily transported.

Features:

- Full HD 1080p auto focus 3-in-1 camera for seeing yourself up close, reading, and distance viewing
- Three position monitor height adjustment provides maximum flexibility
- True mirror image in self-viewing mode
- Memory setting for each HD camera
- Compact size minimizes space needed on table or desk
- 22”, 24” or 27” high-resolution HD LCD monitors provide up to 71x adjustable magnification (varies with LCD size)
- Light on/off feature
- 28 available viewing modes to optimize contrast and brightness
- Line markers and object locator
- Remote control unit features instant on/off (standby)
- Computer compatible (additional hardware required)
- 2-year warranty

Set up is easy - just plug in and begin!

“I love my Acrobat HD ultra! It has truly given me a new lease on life. I can read any sized print, do more detailed things like threading a needle. Things I used to depend on others to do for me I now do myself. There’s no end to the potential for this wonderful device.”

—Barbara Simmons

Amigo makes undetectable text visible again with the help of Dynamic Contrast, a proprietary feature that enhances the contrast of similar colors and provides sharper, clearer, and more defined images. View enlarged images on a generous, 8-inch widescreen LCD, offering a large viewing area. Lightweight and easy to use, simply place it directly on your reading material or hold it up to view objects at a distance. Adjust magnification and contrast with an easy press of a button. Read price tags, menus, labels, street signs, and more, anywhere!

**Amigo Features:**
- 8” High-resolution LCD
- 2 HD cameras for desktop and distance viewing
- Live Image Panning—Pan through a live image without moving the product
- Built-in rechargeable battery provides up to 3.5 hours of continuous use
- Adjustable magnification up to 30x
- Line Marker and Masking features
- 24 available color modes
- Image Capture with Save Capability
- Video output over USB-C port
- Easy-to-use large tactile buttons
- Carrying case included
- 2 year warranty

**All New Visual Display Settings Include:**
- Dynamic Contrast—Provides a sharper, clearer and more defined image
- Edge Effects—a function that makes the edges of objects in an image stand out
- Color Blindness Filter—a feature that assists with color differentiation in real time
- Light Sensitivity Filter—a feature that mutes the lighting of very bright colors

“My new Amigo is the perfect companion when I am on the go!” — Barbara Johnson
